## SUMMARY

## VIDEO HIGHLIGHTS

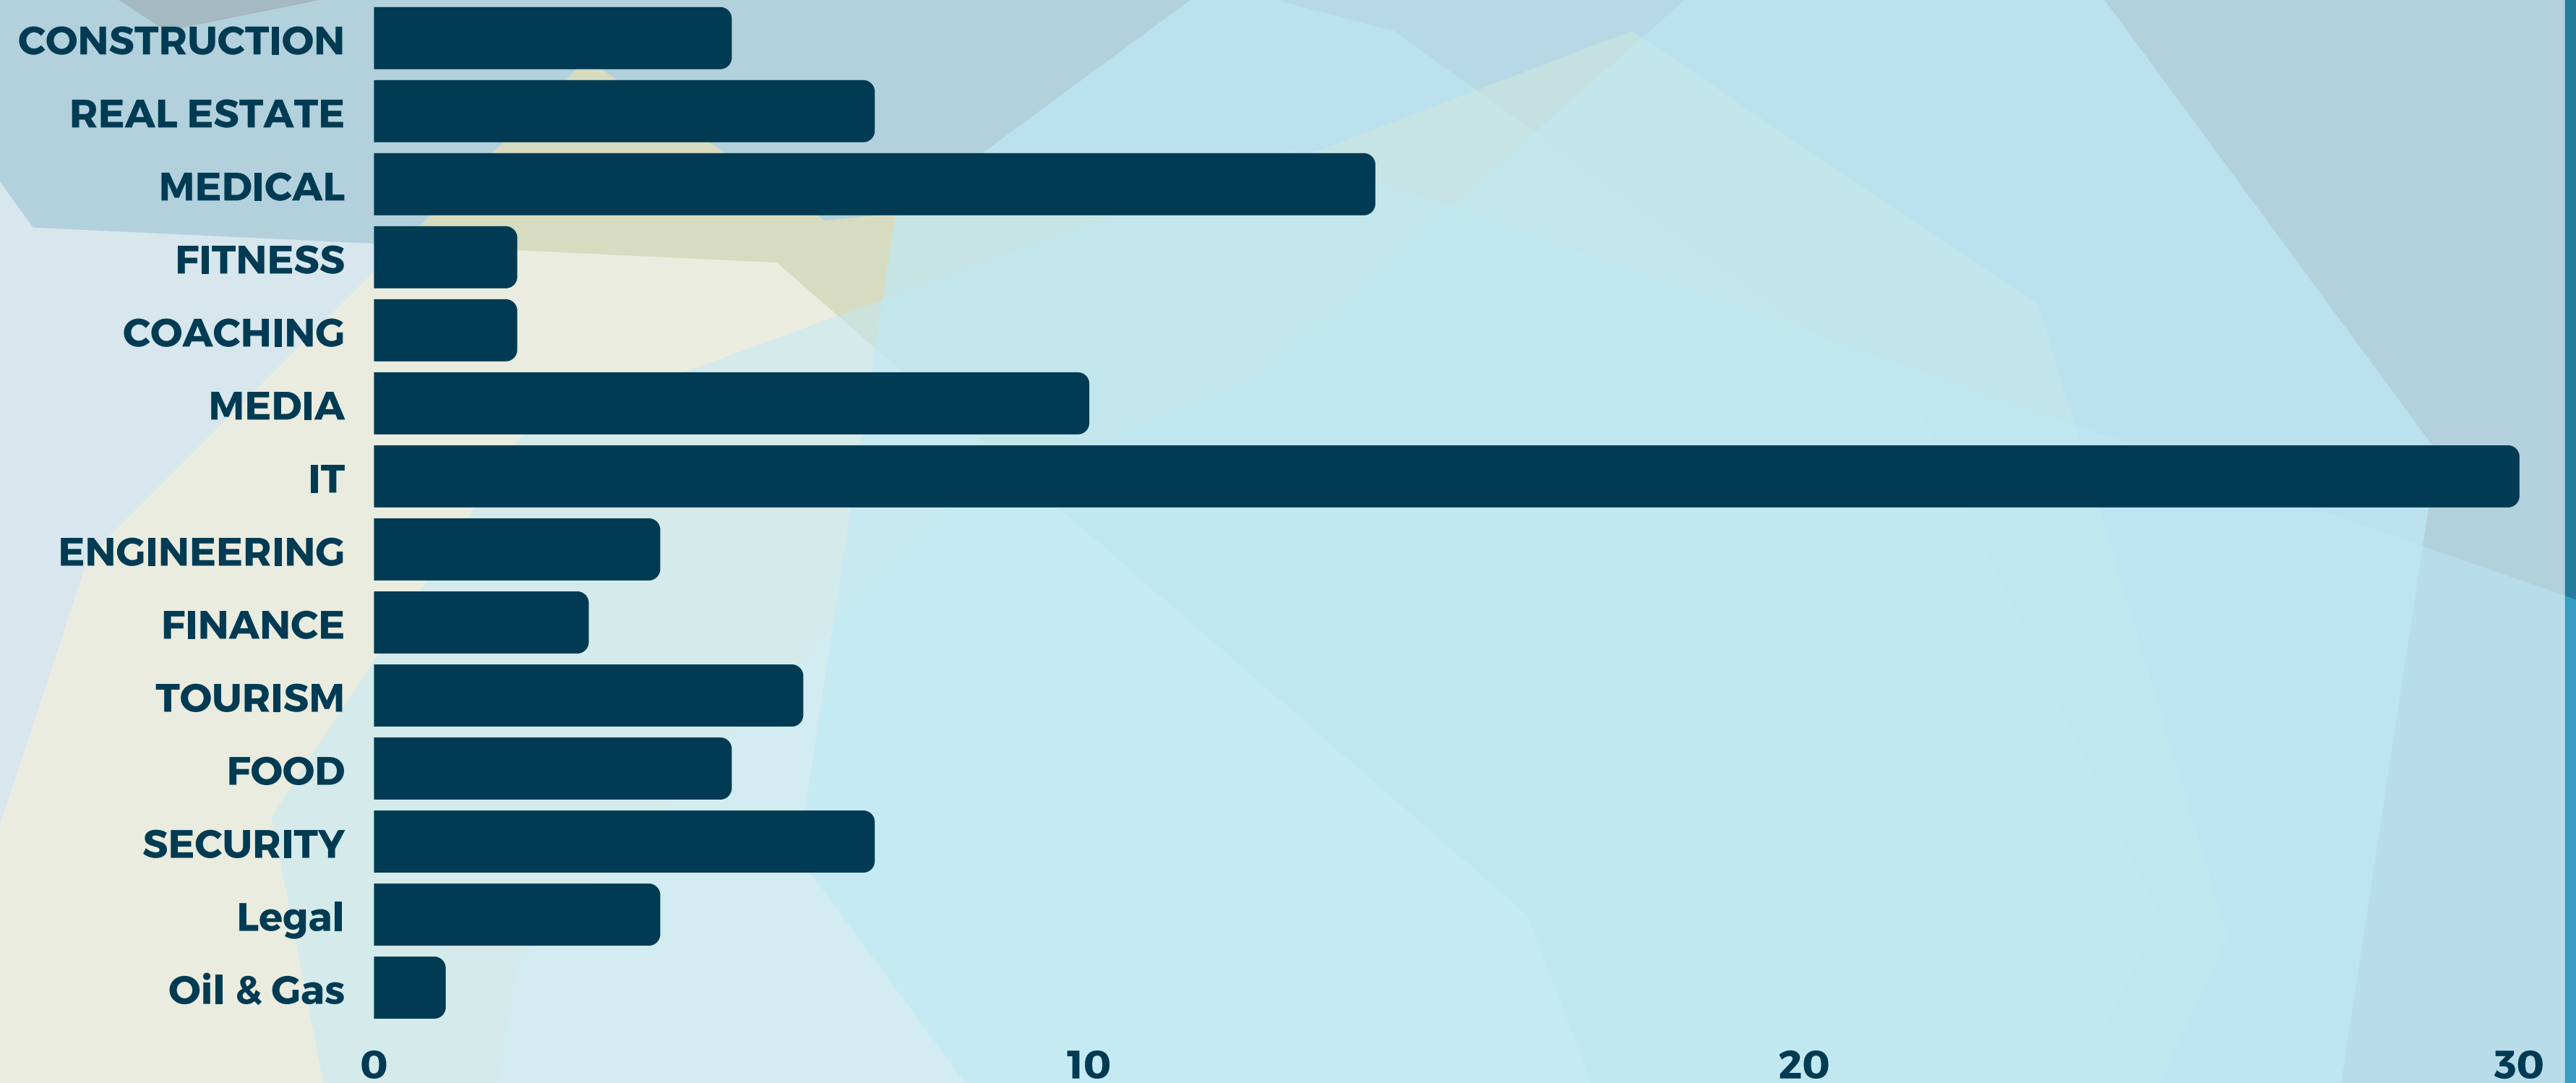

The 4th Edition of the Hub2Connect International Business Conference was the most successful and remarkable edition.

The feedback received from the participants was very positive. Thus, the team decided to expand the event into multiple events per year held in different countries.

During the B2B sessions with the participation of 60 companies, the European Elite Business Hub recorded more than 20 closed partnerships and business cooperation between different industries.

The conference program with its keynote speeches brought a magnificent added value to all participants and the engagement with the speakers brought the conference to the next level.
